Cell: (260) 358-6401

Kids Kampus childcare center of Huntington, “A Caring Place to Go and Grow!”, will be taking their slogan to the next level. Beginning May 25<sup>th</sup>, Kids Kampus™ will begin planting, caring for, and growing their first annual “KinderGarden”. The “KinderGarden” will allow the children of the childcare center to manage a garden and learn how to grow vegetables, herbs and fruit.

“The goal of the garden,” said Kids Kampus Administrator Loretta Mottram, “is for all teachers to utilize the garden as a learning aid. I am confident that everyone will get involved and help us make this a center wide project that everyone benefits from.”

The “KinderGarden” will provide an environment in which children can learn to work with teachers, parents, and volunteers while growing plants and learning the relationship between people, plants and wildlife. Mottram added, “The lessons that will be taught at the garden site are limited only by your creativity. Gardens are a special kind of learning center.”

For more information or to donate items to “KinderGarden” please call Kids Kampus at 260-356-0123. Kids Kampus, Huntington, offers childcare and preschool services to children from infancy to age 12. Kids Kampus is accredited by the National Academy of Early Childhood Programs and is the only licensed childcare center in Huntington County. Kids Kampus is a division of Pathfinder Services, Inc., a not-for-profit human services organization based in Huntington.
