

## **Tooth Fairy Visits Children of Kids Kampus during Dental Health Month – February 13, 2008**

The tooth fairy visited the Children of Kids Kampus on Wednesday morning. Dental Assistant Sally Anderson, of Dr. Rick Spencer's office of Huntington Dental Group in Huntington spoke to three, four, and five year olds from Kids Kampus during Dental Health Month.

Anderson, dressed as the tooth fairy, shared with the children the importance of taking care of their teeth, and how a healthy mouth is a happy mouth. Anderson let the children ask her questions, and took time for photos with the kids as well.

Kids Kampus Administrator Lisa Betzler added, "Everyone needs to have healthy teeth, and it is impossible to have healthy teeth without brushing and flossing properly. We are thankful for Sally and Dr. Spencer's office for taking the time out of their busy schedule to visit us today and talk to our children during Dental Health Month."

**Currently there are enrollment openings in the three and four year old rooms as well as the Premier Preschool for three and four year olds. There are also openings in Playgroup, which is for children ages 18 months to three years old.**
