

Kids Kampus Celebrates Month of the Young Child

Kids Kampus, “A Caring Place to Go and Grow!” is hosting several events throughout the month of April to celebrate Month of the Young Child.

“All young children need and deserve high-quality learning experiences that will prepare them for life, and Huntington County has a great opportunity to do our part to help young children,” said Kids Kampus Administrator, Lisa Mettler. “Month of the Young Child is a time to recognize the importance of early learning for all young children, and to bring Huntington together to help give all young children a great start. Today we know more than ever before about the importance of children’s earliest years in shaping their learning and development. Yet, never before have the needs of young children and their families been more pressing.”

Kids Kampus Month of the Young Child activities include:

- Purple Ribbon Campaign: Families and staff show their support for young children and their families by wearing or displaying a purple ribbon.
- Paper Doll Project: The children created paper dolls that are placed in prominent places in Huntington County to remind us to invest in Huntington’s children.
- Parent Appreciation Breakfast: April 17th parents and children enjoyed breakfast together. An opportunity for Kids Kampus to thank the parents for allowing us to care for their child during their learning years.
- Parent Appreciation Ice Cream Social: April 29th parents and children can enjoy ice cream with their families.
- Kite Day: April 30th to honor young children and all those who make a difference in children’s lives.

Young children and their families depend on high-quality education and care, which help children get a great start, and bring lasting benefits to Huntington County. Month of the Young Child is a time to recognize the importance of early learning and early literacy, and to celebrate the teachers and policies that bring early childhood education to young children.
